Notifications Dashboard

The screenshot shows the Notifications Dashboard interface. At the top, there is a navigation bar with 'My DCCCD', 'Courses', 'Community', and 'Faculty' tabs. Below this is a secondary navigation bar with 'eCampus', 'Notifications Dashboard' (highlighted with a red box), 'Training', 'Help & FAQs', and 'News & More' links. The main content area is divided into four modules: 'Needs Attention', 'Alerts', 'What's New', and 'To Do'. Each module displays 'No Notifications' and includes an 'Actions' dropdown menu. The 'To Do' module includes a date filter set to '08/05/2013' and shows 'Nothing Due Today' for the selected date, with options for 'Tomorrow', 'This Week', and 'Future'. The dashboard also features 'Add Module' and 'Personalize Page' buttons at the top.

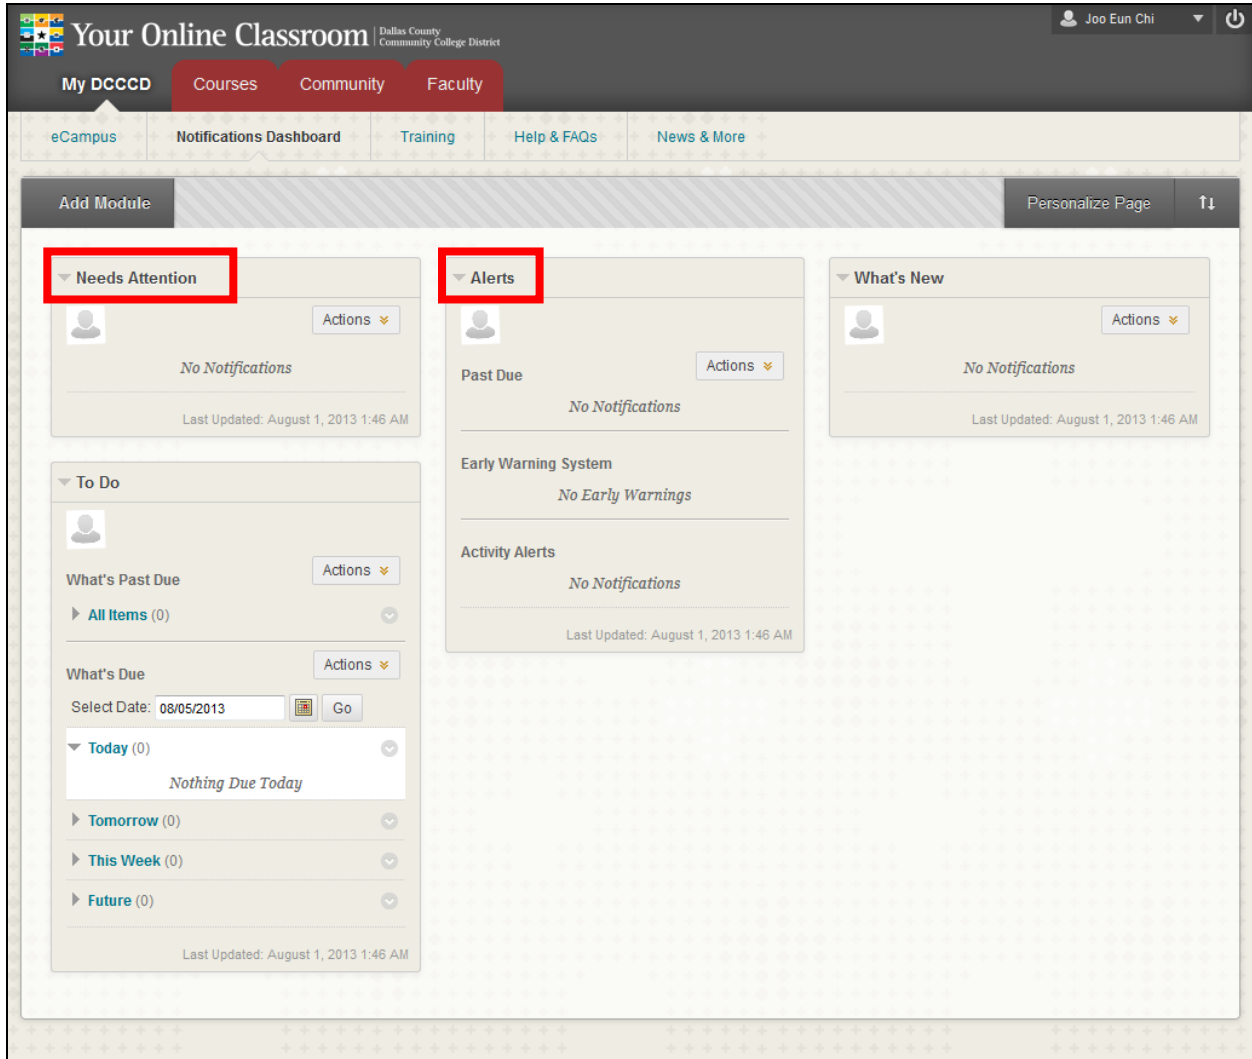

Purpose:

"The **Notifications Dashboard** contains four basic modules [**Needs Attention, Alerts, What's New, To Do**] that give information to users [Instructors and Students] based on their enrollment and their role in the system. Users with multiple enrollments will receive information in modules for **ALL** their classes and organizations. Users with multiple roles will receive information in modules for all their roles" - *From Blackboard*

Location:

To access **Notifications Dashboard**, select the **Notifications Dashboard** tab.

Uses:

The **Needs Attention** and **Alerts** modules are for instructors. (Instructors and students can view the **What's New** module. The **To Do** module is for students. *Its content is only visible to students.*

The Needs Attention module (for instructors):

The screenshot shows the 'Needs Attention' module interface. At the top left is a user profile icon. To the right are two buttons: 'Edit Notification Settings' and 'Actions' with a dropdown arrow. Below this is a section titled 'Assignment Needs Grading (2)' with a dropdown arrow. Underneath are two expandable items: 'Assignment 1 Part B (1)' with a plus icon and 'eCampus Basics' as a sub-item; and 'HWK 1 - Part A (1)' with a plus icon and '2013SP-eCampus Training-Practice -imported from training' as a sub-item. Below these are two more sections: 'Survey Submitted (4)' and 'Test Needs Grading (2)', both with right-pointing arrows and dropdown arrows. At the bottom right, it says 'Last Updated: August 5, 2013 12:35 PM'.

The **Needs Attention** module displays the student submitted Assignments and Tests (from any of the instructor's courses) that need to be graded.

Alerts module (for instructors):

The **Alerts** module shows the instructor past due assignments & tests (from any of the instructor's courses) based on due dates.

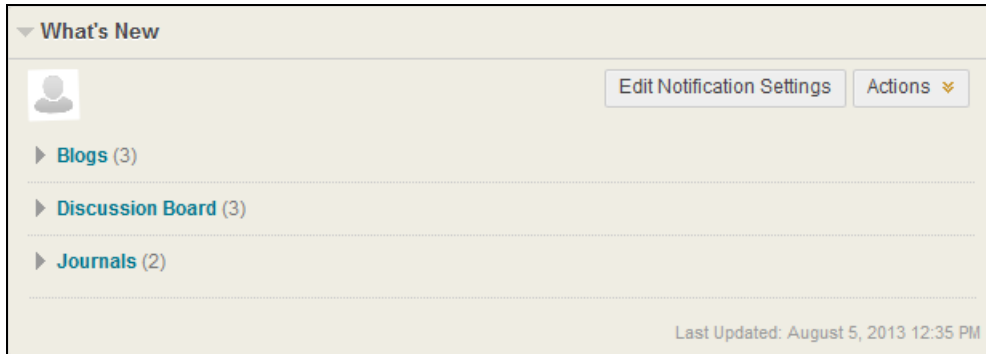

The screenshot shows the Alerts module interface. At the top, there is a user profile icon and an 'Edit Notification Settings' button. Below this is the 'Past Due' section, which includes a sub-section for 'Assignment Past Due (3)' and a specific assignment 'Assignment 1 Part A (3)' under the course 'eCampus Basics'. The 'Early Warning System' section follows, listing several default rules: 'Default Activity Rule (0)', 'Default Course Access Rule (1)', 'Default Grade Rule (0)', and 'Default Missed Deadline Rule (0)', all with a refresh date of 6/7/13. There are also course-specific alerts for 'eCampus Basics (4)' and 'BT 102 eCampus Basics II (4)'. A 'Last Updated: August 5, 2013 12:35 PM' timestamp is visible at the bottom right of the interface.

Additionally the **Early Warning System** also notifies instructors if a student's performance falters or continues to slip according to Default rules set in the course.

This is a close-up screenshot of the 'Early Warning System' section. It shows the 'Default Course Access Rule (1)' entry, which is highlighted with a red rectangular box. The entry indicates that one student's performance is at risk as of 6/7/13. Other entries like 'Default Activity Rule (0)' and 'Default Missed Deadline Rule (0)' are also visible but not highlighted.

For example, **Default Course Access Rule** lists one student's performance at risk as of 6/7/13.

What's New module (primarily for students):

“Displays a list of new items in all relevant courses and organizations.” *From Blackboard* (This module can be seen by instructors and students.)

To Do module (for students):

The screenshot shows the 'To Do' module interface. At the top, there is a user profile icon and an 'Edit Notification Settings' button. Below this, the 'What's Past Due' section is visible, featuring an 'Actions' dropdown menu and a list of items. The first item is 'Assignment 1 Part A' from 'eCampus Basics', with a red 'Due 08/05/13' label. The 'What's Due' section follows, including a date selection field set to '08/05/2013' and a 'Go' button. It lists items due on the current date, tomorrow, this week, and in the future. The 'Today (1)' section shows 'Assignment 1 Part B' from 'eCampus Basics' with a red '- Due 08/05/13' label. The 'This Week (1)' section also shows 'Assignment 1 Part B' from 'eCampus Basics' with a red '- Due 08/05/13' label. The 'Future (0)' section is currently empty. At the bottom right, it states 'Last Updated: August 5, 2013 1:24 PM'.

“Displays the status (Past Due/Due) of relevant course work and tasks. Students see any grade items that have listed due dates in two categories, what is past due and what is due in the future.” *From Blackboard* (NOTE: Instructors will never see anything in the **To Do** module when viewing eCampus via the instructor log in.)
